TERMS AND CONDITIONS

Your signature confirms your understanding and acceptance of the following:

This application is for propane delivery and service only; it does not constitute a pricing contract.

Credit terms are 30 days for approved open accounts.

Minimum delivery is 100 gallons or fill for tanks that hold less than 100 gallons

Proctor Gas, Inc is NOT responsible for run outs or freeze ups if we cannot access the tank(s), if your home is unoccupied (including vacation and rental homes) and your heating systems fails or if propane is not the primary heat source.

Customers MUST provide safe and adequate access for us to service tanks year round. Your driveway and walkway/path to tanks must be maintained for safe delivery. Note: if we can't get a delivery truck in your driveway an emergency (Fire/Ambulance) vehicle can't get in either.

All equipment Proctor Gas installs including but not limited to tanks, regulators, meters and related materials are property of Proctor Gas.

PROCTOR GAS, INC.

I agree that Proctor Gas, its employees or authorized representatives have my permission to enter any property which I own, rent or control for the purpose of making deliveries, repairs to the equipment, to install, remove or inspect any equipment relating to propane gas.

I agree that no connections or disconnections to the equipment, including but not limited to filling the tank(s), will be made **except** by Proctor Gas employees.

No changes or addition to your existing system are to be done without notifying Proctor Gas. Any changes to the system must be done by a CETP certified technician and Proctor Gas must be notified for a final gas systems safety check for compliance purposes.

Under no circumstances shall the equipment become part of the real estate unless the tank is customer owned.

I agree to notify Proctor Gas when the service provided under this agreement is to be terminated for any reason; this includes but is not limited to the sale or lease of the property or the vacating of an apartment or other rental property.

The propane in the tank is non-transferable to another property owner or tenant without prior notice and completion of a propane transfer form.

Credit terms for approved accounts are 30 days from the date of invoice. A finance charge of 1.5% per month (18% annual) will be charged on any outstanding amount owed over 30 days.

A deposit will be required for all tenants/renters having credit extended to them.
